WEEKEND FLY TYING COURSE  
£295 per person\*

**Saturday 2<sup>nd</sup> and Sunday 3<sup>rd</sup> March 2024**

**COME AND JOIN US FOR OUR WEEKEND RESIDENTIAL FLY TYING COURSE**

Fly tying is an enjoyable and highly rewarding aspect of our sport, and a skill that many fly fisherman are intrigued by, but daunted to begin - let our in-house instructors show you how.

The course teaches all of the main techniques and practices required to tie your own flies and begin this fascinating journey. While experienced fishermen will gain a thrill from tying their own patterns, the skill is just as interesting to learn for the hobbyist non-fisherman. Indeed, there are many who enjoy the art of tying flies, with no intention of fishing; it's a wonderfully relaxing pastime.

All materials and equipment are included and the hotel restaurant and bar will be fully stocked. In addition, our spring fed lake, which offers rainbow trout fishing and is located just down the road from the hotel, is available for a cast over the weekend to wet a line, see how your flies look in the water and hopefully catch a few fish.
